

Hi There,
Hope you are doing well.

This is **Moses Pandal**, and I am **Sr Resource Manager** at **NMK Global Inc.**

Please find our updated hotlist of immediately available consultants with strong experience in **Java Backend Development, Full Stack Development, QA/SDET, DevOps, AI/ML, ETL/Data Engineering, Product/Program Management, and Software Engineering.**

Candidates are available across multiple locations and open for immediate interviews and quick onboarding.

Kindly let me know if you have any suitable C2C requirements. I would be happy to share resumes and coordinate interviews at your convenience.
